

The AI “爱” Generation Trust 世代信托

AI (means love in Mandarin) is at the root of our philosophy – this AI Generation Trust, under the purview of Asia International Trust Berhad and distributed exclusively by DDG, offers impeccable protection for your assets due to the independent trustee’s mandate over the trust assets and distributions.

A family’s success in sustaining its wealth from one generation to another is inevitable, and it requires careful planning and implementation.

“爱”世代信托以爱为根，以信为本，助您实现财富世代永续传承。

“爱”世代信托由亚洲国际信托有限公司管理，并经由DDG独家分销，为您的资产提供无可比拟的保障，这主要是因为独立受托人获信托资产与分配授权。

确保家族财富的成功传承是无可避免的事，而且必需通过谨慎的规划和实施。

Why Trust

为何选择信托

“Trusts” – Trusts are a type of will-substitute.

Drafted and administered properly, they avoid probate

and give you the power to decide how

and when (and, of course, to whom) your estate will be distributed during your lifetime and after you are gone.

There are many different types of trusts available depending on your estate-planning or special needs goals.

The best type of trust for you can be discussed during consultation.

All trusts come with thorough instructions for

the Settlor (how to properly title assets to the trust)

and the Trustees (how to properly administer the trust),

including any Social Security Administration requirements for special needs trust administration.

While the primary focus of DDG International Berhad is to provide comprehensive estate-planning and wealth management solutions and trusts for individuals and families, incorporating estate planning solutions for special needs family members may be the most comprehensive part of the company's practice.

“信托”——信托是一种遗嘱替代品。正确拟定并良好管理的信托，可避免繁琐的遗嘱认证书申请程序，并让您全权决定在自己有生之年和离世后应如何及何时分配您的遗产，当然也包括将遗产分配予何人。

我们备有多种信托方案，您亦可根据本身的遗产规划或特殊需求目的定制个人专属信托方案。

透过我们的专业咨询过程，将有助于您量身定制最适合您的信托方案。

所有的信托均附带一份详细的委托人指示

(说明如何正确将资产委托予受托人)

和受托人指示(说明如何正确管理信托资产)，

并包括社会安全管理局对特殊需求信托管理的任何规定。

DDG 国际集团主要为个人与家庭提供全方位的遗产规划和理财解决方案与信托服务。

纳入这项专为具有特殊需求的家庭成员而设的遗产规划方案，堪称是本公司业务中最为全面的部分。
